Explanatory Notes

1. The charging policy should be re-considered every 2 years by the Full Governing Body; it cannot be delegated to a Committee or the Headteacher
2. It is a statutory requirement for a charging and remissions policy to exist, which must include a full remission in respect of charges levied for board and lodging for residential trips if the parent/guardian of a pupil is in receipt of income support, family credit, income based jobseekers allowance (payable under the Jobseekers Act, 1995) or disability working allowance.
3. The statutory requirements only apply to charges made by a Governing Body or the LEA; they do not apply to charges to pupils or their parents/guardians made by other persons (e.g. travel firms).
