

# Lettings Charges King Solomon High School

**September  
2018**

King Solomon High School wishes to make the best use of its facilities. The School is also committed to generating additional income from the hire of its facilities which will provide a valuable, additional income to the School Budget. This income will help the School to maintain its facilities in the best possible condition.

The School shall promote a balanced range of activities and give preference to those in which its students can play an active part.

*Being at the heart of our community is one of The School's core values and promoting community use and access to its facilities is a way in which it can demonstrate this commitment. The School's aim is to maximise the benefit to the local community and to its students and their communities.*

KSHS is a Jewish site and therefore, will not be available for hire on Friday/Saturday (Shabbat) or Jewish holidays.

Refreshments of any kind must adhere to the Kashrut Dietary Laws.
