

WHAT'S NEW THIS HALF TERM:

Y13 & Y11

The team has been working hard to support our students in their applications for September.

We are continuing to meet with our students – May has seen us hold Careers sessions for Y8 in the Library

Students use this package where they can take the quiz to identify their likes, strengths and interests. Morrisby allows them to explore different job roles, watch videos, and keep a 'favourites' list.

Students have been asked to take part in our Careers Survey. We want to know:

- how they have been accessing information
- what is useful
- what they would like to see

COMING SOON:

13th June – CAREERS WEEK Y10 & Y12

20th June – CAREERS WEEK Y7,8,9

11th July - KSHS CAREERS FAIR

If your child would like to come and speak to a careers adviser then please ask them to either email Mrs Shepherd (Careers coordinator) dshepherd20.317@kshsonline.uk or Ms Tye (part time SEND adviser) mtye1.317@kshsonline.uk or call into the office on the first floor to book a meeting.

Spotlight on our KS alumni-

Where are they now?

Ben Lawrence (KS 2007- 2012)

What did you do after leaving KSHS?

I went to Epping Forest College to study Health and Social Care

What do you do now?

I am a Registered Nursing Associate, specialising in A&E – working towards my full degree.

How did you choose this career path?

I began as a St John's Ambulance Cadet and gained training experience as a First Aider – I used to provide the First Aid on Sport's Days at KS, but also worked at the London Marathon, The Emirates Stadium, the O2 and Wembley (I rubbed shoulders with Madonna!) I met lots of doctors, and felt that I would like to work as a Paramedic or in A&E.

What is the best thing about your job?

I enjoy being able to treat and look after patients. It is fast-paced, and no two days are the same. I have delivered 3 babies!

What advice would you give to someone interested in pursuing a similar career?

We hope that you have found this edition useful and would welcome your feedback and any suggestions for information that you would like to see if future editions.
