A LEVEL RESULTS DAY 2025

Congratulations to Year 13 Class of 2025 for achieving the school's best A-Level results over the last three years.

This morning almost every Year 13 student turned up to collect their results. The Sixth Form Centre was electric with happiness, pride and excitement. There were many tears of joy and relief after what has been two years of hard work and dedication from Year 13 students, their teachers, senior leaders, governors and support staff.

A special thank-you goes to the Sixth Form Team; Ms Karlsson, Mrs Schiffman and Mr Kooyman for their excellent work both pastorally and academically.

King Solomon High school smashed it this year with:

- **49% of all grades were A*-B grades**
- **The average grade across A-Level and vocational courses is a B- (an increase of one grade from last year).**
- **A 13% increase in A*-A grades from last year**
- **A 18% increase in A*-B grades from last year**
- **A 18% increase in A*-C grades from last year**

We are looking forward to continuing our journey of improvement. Next year will be a bright and positive one.
